Creamed Corn

Amount 20 oz corn...
Time 20 min

Ingredients

- 20 oz frozen corn
- 1 cup milk
- 1 cup cream
- 3 tablespoons sugar (or to taste)
- 2 tablespoons melted butter
- 2 tablespoons flour

Steps

1. Combine all ingredients EXCEPT butter and flour over a medium heat.
2. Keep stirring until it begins to simmer, then let simmer for five minutes.
3. Separately, combine the melted butter and flour.
4. After the corn has simmered for five minutes, remove from heat and add the butter and flour.
5. To further thicken the creamed corn, let sit for several minutes before serving.
