Whey Lemonade

Amount 1 quart
Time 3 days

Ingredients

- 1/4 c Lemon juice
- 1/4 c whey (from kefir, cheese, etc)
- 3 tbsp sugar or other favorite sugar
- water

Steps

1. Mix lemon juice, whey, and sugar in quart jar. Fill remainder with water.
2. Cover with fermentation lid and let sit 2-3 days on counter.
3. Chill and drink!

Notes

Easy to double, triple, etc. Good with raspberries mixed in!
