Mock Fettucine Alfredo

Amount 2 servings

Ingredients

- fettucine for two people
- 2 oz cream cheese
- 2 tbsp sour cream
- 6 tbsp parmesan (or parmesan-asiago-whatever blend) of decent quality
- basil to taste
- oregano to taste
- pepper to taste

Steps

1. Cook pasta.
2. Put remaining ingredients in bowl you plan to eat out of.
3. Drain pasta and add to bowl. Mix everything together.
4. The heat from the pasta will melt the cream cheese, but you may have to stick it all in the microwave for a few seconds to get it all super hot again.
