Sloppy Joes

Ingredients

- 1 lb. ground beef
- 1/2 cup chopped onions
- 1 can tomato soup
- 1/4 cup water
- 1 tbsp Worcestershire sauce
- 3/4 tsp salt
- 1/2 tsp oregano
- A bit of tabasco sauce (if you like spicy!)
- 6 hamburger rolls

Steps

1. Sautè beef until brown, in the skillet. Add the onions, and sautè another 5 minutes or so.
2. Get rid of all the fat, using paper towels!
3. Add all the other ingredients to the skillet, then cover and boil.
4. Once it’s boiling, reduce the heat and simmer it for about 30 minutes, stirring occasionally.
5. Eat warm over buns or rolls.

Notes

Tasty when camping with a campstove and a skillet!
