Easy Peach Cobbler

Amount 1 dutch oven of peach cobbler

Ingredients

- 2 cans (29-ounce) sliced peaches, with juice
- 3 tbsp cornstarch
- 1 tsp cinnamon
- 1/2 tsp allspice
- 1/4 cup butter or margarine
- 1 box white or yellow cake mix
- 1 cup lemon-lime soda

Steps

1. Preheat oven to 325 F or prepare dutch oven.
2. Open cans of peaches.
3. Dump the peaches, cornstarch, and cinnamon into pan or dutch oven. Mix.
4. Cut margarine (or butter) into little bits, and dot the mixture with it.
5. Sprinkle with dry cake mix.
6. Carefully pour the soda over the mixture.
7. In a dutch oven: bake at 325° with top and bottom heat for 20 minutes. Remove the bottom heat, and finish baking with only top heat for 10-15 minutes.

Otherwise, bake at 325 F for 30-45 min.
